## **MANY TEARS ANIMAL RESCUE**

Many Tears Animal Rescue (MTAR) is based in Carmarthenshire, Wales but has dogs in foster homes throughout the UK. We take in and rehome primarily ex-breeding dogs who are no longer required but also those on "death row" in the pounds as well as those whose owners are no longer able to keep them.

We are a unique rescue in that the majority of our dogs are ex-breeders and many have never seen the outside world before. With the help of our staff, fosterers and other volunteers we provide a special and loving environment to help all our dogs adapt and find permanent, loving new homes.

The rescue has grown considerably since it first opened and now homes in excess of 3,000 dogs a year.

There are no fancy politics at Many Tears, just many hard working dog lovers determined to make a difference to the dogs we rescue. We know we cannot save them all but the ones we can save will have a quality of life that will not be compromised.
